Look what happens when a President gets elected in a year with a "0" at the end. Also notice it goes in increments of 20 years.

- + 1840 : William Henry Harrison ( died in office)
- + 1860 : Abraham Lincoln ( assassinated)
- + 1880 : James A.Garfield ( assassinated)
- + 1900 : William McKinley ( assassinated)

- + 1920 : Warren G.Harding ( died in office)
- + 1940 : Franklin D.Roosevelt ( died in office)
- + 1960 : John F. Kennedy ( assassinated )
- + 1980 : Ronald Reagan ( survived assassination attempt)
- + 2000 : George W.Bush ??????????????

And to think that we had two guys fighting it out in the courts to be the one elected in 2000.

You might be also interested in this.

Have a history teacher to explain this – if they can.

- + Abraham Lincoln was elected to Congress in 1846
- + John F.Kennedy was elected to Congress in 1946
- + Abraham Lincoln was elected President in 1860
- + John F.Kennedy was elected President in 1960

Both were particularly concerned with civil rights. Both wives lost their children while living in White House.

Both Presidents were shot on a Friday

Both President were shot in the head

Now it gets really weird.

- + Lincoln's secretary was named Kennedy
- + Kennedy's secretary was named Lincoln
- + Both were assassinated by southerners
- + Both were succeeded by southerners named Johnson
- + Andrew Johnson who succeeded Lincoln, was born in 1808
- + Lyndon Johnson who succeeded Kennedy, was born in 1908
- + John Wilkes Booth, who assassinated Lincoln, was born in 1839
- + Lee Harvey Oswald, who assassinated Kennedy, was born in 1939

Both assassins were known by their three names

Both names are composed of fifteen characters

Now hang on to your seat.

Lincoln was shot in a theater named "Ford"

Kennedy was shot in a car called "Lincoln" made by "Ford:

Lincoln was shot in a theater and his assassin ran and hid in a warehouse

Kennedy was shot from a warehouse and his assassin ran and hid in a theater

Booth and Oswald were assassinated before their trials.

And here is the kicker....

A week before Lincoln was shot, he was in Monroe, Maryland

A week before Kennedy was shot, he was with Marilyn Monroe..

Creepy huh?...

This is one history lesson people don't mind reading...

A mouse looked through the crack in the wall to see the farmer and his wife open a package. What food might this contain? The mouse wondered – he was devastated to discover it was a mousetrap. Retreating to the farmyard, the mouse proclaimed the warning :

There is a mousetrap in the house! There is a mousetrap in the house!

The chicken clucked and scratched, raised her head and said, ' Mr.Mouse , I can tell this is a grave concern to you, but it is of no consequence to me.' ' I cannot be bothered by it.'

The mouse turned to the pig and told him, 'There is a mousetrap in the house! There is a mousetrap in the house!'

The pig sympathized, but said, I am so very sorry, Mr. Mouse, but there is nothing I can do about it but pray. 'Be assured you are in my prayers.'

The mouse turned to the buffalo and said 'There is a mousetrap in the house! There is a mousetrap in the house!'

The buffalo said, 'Wow, Mr. Mouse. I'm sorry for you, but it's no skin off my nose.'

So, the mouse returned to the house, head down and dejected, to face the farmer's mousetrap alone.

That very night a sound was heard throughout the house — like the sound of a mousetrap catching its prey.

The farmer's wife rushed to see what was caught. In the darkness, she did not see it was a venomous snake whose tail the trap had caught. The snake bit the farmer's wife. The farmer rushed her to the hospital , and she returned home with a fever.

Everyone knows you treat a fever with fresh chicken soup, so the farmer took his hatchet to the farmyard for the soup's main ingredient. But his wife's sickness continued, so friends and neighbors came to sit with her around the clock.

To feed them, the farmer butchered the pig.

The farmer's wife did not get well; she died.

So many people came for her funeral, the farmer had the buffalo slaughtered to provide enough meat for all of them.

The mouse looked upon it all from his crack in the wall with great sadness.

So, the next time you hear someone is facing a problem and think it doesn't concern you, remember — when one of us is threatened, we are all at risk.

We are all involved in this journey called life. We must keep an eye out for one another and make an extra effort to encourage one another.

A story tells that two friends were walking through a desert. During at a point of the journey they had an argument, and one friend slapped the other one in the face. The one got slapped was hurt, but without saying anything. he wrote on the sand:

### **"TODAY MY BEST FRIEND SLAPPED ME IN THE FACE"**

The kept on walking until they found an oasis, where they decided to take a bath. While bathing the one who got slapped earlier got stuck in in the mire and started drowning, but the friend saved him. After he recovered from the near drowning he wrote on the a stone :

### **"TODAY MY BEST FRIEND SAVED MY LIFE"**

The friend who had slapped and saved his friend asked him, " After I hurt you, you wrote on the sand and now, you write on the stone, why?". The other friend replied: "When someone hurts us we should write it down on the sand where winds of forgiveness can erase it away. But, when someone does something good for us, we must carve it on a stone so that it can never be erased."

### **LEARN TO WRITE YOUR HURTS ON THE SAND AND CARVE YOUR GOOD ON A STONE.**

They say it takes a minute to find a special person, an hour to appreciate him, a day to love him, but then an entire life to forget him.

Share this message to people you'll never forget to remember and let them know that you will never forget them. Take time to live.. Appreciate and be appreciated.
